

Methow Valley Irrigation District Fee Schedule

Resolution 20.07—Schedule A

Administrative fees

Service	Amount
NSF returned check fee (for extra-water user costs and other fees paid directly to MVID)	\$35.00

Land-use fees

In addition to the fees listed below, landowners who initiate land-use actions are responsible for reimbursing the Methow Valley Irrigation District for all costs incurred in processing those actions. Costs may include, but are not limited to: postage, publishing legal notices, copies, attorney fees and other legal costs, additional staff time related to complex or contentious actions, peer review, and special consultant review and inspection.

Unless otherwise specified, charges will be added to the landowner's irrigation assessment.

Service	Processing charge	Staff review and other charges	
Boundary line adjustment	\$35.00	The following will be charged at cost: <ul style="list-style-type: none"> • Staff review and inspection • Engineering, inspection, legal, and other professional services • Duplication, legal notices, and other miscellaneous charges
